Manufacturer	Siemens
Catalog number	97-54-193-x1989-d10-e6
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	97 54 193 X1989 D10 E6
Product Type	Printed Circuit Board
Application Area	Industrial Automation
Compatibility	Siemens Automation Systems

Description

The Siemens 97 54 193 X1989 D10 E6 is a printed circuit board (PCB) designed for industrial automation applications. Manufactured by Siemens, a leading provider of automation components, this PCB is integral to various automation systems, ensuring reliable performance and longevity.

The part number 97 54 193 X1989 D10 E6 uniquely identifies this specific PCB model, facilitating precise replacement and maintenance. Its robust construction and compatibility with Siemens automation systems make it a preferred choice for professionals seeking quality and durability in their automation components.
