

1SAP140200R0201

Industrial automation components

Manufacturer	Abb
Catalog number	1sap140200r0201
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Interface Type	rs232
Signal Type	24
Safety Level	plc
Component Specifications	rs232
Product Type	Module
Industrial Safety	plc
Signal Level	24 V

Description

The 1SAP140200R0201 module from ABB is an advanced component featuring an RS232 interface, designed for industrial applications. It offers a signal level of 24, ensuring high precision in communication. The product also features a PLC safety level, making it suitable for critical applications. Its design ensures reliability and durability in harsh industrial environments.
