Status	Active product

Technical specification

Brand	Phoenix Contact
Part Number	DVG-OPC6315 028-BL AF.00
Product Type	Operator Panel
Screen Size	15 inches
Processor	Powerful Processor
Memory	Ample Memory
Connectivity Options	Versatile Connectivity
Enclosure	Durable Enclosure

Description

The Phoenix Contact DVG-OPC6315 028-BL AF.00 is a high-quality operator panel designed for industrial automation applications. Manufactured by Phoenix Contact, a leading provider of industrial automation components, this panel offers robust performance and reliability.

It features a 15-inch TFT color touch screen, providing clear and intuitive user interaction. The panel is equipped with a powerful processor and ample memory, ensuring smooth operation of complex applications.

Its versatile connectivity options allow seamless integration into various industrial networks. The DVG-OPC6315 028-BL AF.00 is housed in a durable enclosure, suitable for demanding environments. This operator panel is ideal for controlling and monitoring industrial processes, machinery, and systems, enhancing operational efficiency and user experience.
