

1SFL597001R7011

Industrial automation components

Manufacturer	Abb
Catalog number	1sfl597001r7011
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	600 V
Signal Type	600
Signal Level	600 V
Current	650 A
Frequency	50 - 60 Hz
Component Specifications	af460
Product Type	Contactator
Relay Specifications	600 VAC

Description

The ABB 1SFL597001R7011 contactor is designed for industrial applications, offering a voltage rating of 600V and a current rating of 650A. It operates at frequencies ranging from 50 to 60 Hz, making it a versatile solution for various applications. The component specification af460 ensures high reliability, while the signal type and signal level are both rated at 600, ensuring stable performance in demanding conditions.
