

1SVR730720R1400

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Abb |
| Catalog number | 1svr730720r1400 |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|---------------------|----------|
| Weight | 0.18 kgs |
| Voltage | 240 V |
| Product Type | Motor |
| Signal Type | 240 |
| Signal Level | 240 V |

Description

Moduł: przekaźnik nadzorczy; temperatura silnika; 24÷240VAC
