Description

The Siemens 6ES7658-1AF17-0YA5 is a software engineering package designed for the SIMATIC PCS 7 process control system. This floating license for one user provides the Engineering V7.1 software (AS/OS: PO250) without additional software or documentation.

The license key is delivered on a USB flash drive, and the software is executable on Windows XP Professional and Windows Server 2003 operating systems. The package is classified as Class A and supports three languages: German, English, and French. It is intended for use with the PCS 7 547C: ES/OS and PCS 7 Box hardware configurations.
