Manufacturer	Siemens
Catalog number	6fx8002-5cq38-1ag0
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Siemens
Part Number	6FX8002-5CQ38-1AG0
Product Type	Power Cable Extension
Connector Type	SPEED-CONNECT, size 1.5
Certifications	UL/CSA, DESINA
Cable Type	MOTION-CONNECT 800PLUS
Trailing	Yes
Maximum Diameter	11 mm
Length	5 meters m

Description

The Siemens 6FX8002-5CQ38-1AG0 is a high-quality power cable extension designed for industrial automation applications. Manufactured by Siemens, a leading provider of automation components, this cable is part of the MOTION-CONNECT 800PLUS series, known for its durability and reliability in demanding environments.

The cable features a 4x 2.5 C SPEED-CONNECT connector, size 1.5, ensuring secure and efficient connections. It is UL/CSA certified, meeting international safety standards, and is DESINA compliant, indicating its suitability for use in Siemens automation systems.

The cable is trailable, allowing for flexible movement without compromising performance. With a maximum diameter of 11 mm and a length of 5 meters, it offers versatility for various installation requirements.
