

3BSE006383R1

Industrial automation components

Manufacturer	Abb
Catalog number	3bse006383r1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Interface Type	fieldbus
Component Specifications	af100

Description

The af100 module with fieldbus interface is designed for industrial applications, providing reliable communication in automation systems. Its advanced design allows integration with various devices, making it an ideal solution for complex applications.
