

3BSE023675R1

Industrial automation components

Manufacturer	Abb
Catalog number	3bse023675r1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Module
Interface Type	hart

Description

HART interface module designed for integration in industrial automation systems. It provides reliable connectivity and communication with measurement devices, making it an ideal solution for applications requiring precise monitoring and control of processes.
