

3HAB2136-1

Industrial automation components

Manufacturer	Abb
Catalog number	3hab2136-1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	2.34 kgs
Product Type	Robot Teach Pendant
Operating Voltage	DC 24V
Input Current	1A
Communication Interface	RS-232
Operating Temperature Range	-20°C to +60°C
Dimensions	120mm x 80mm x 30mm

Description

The ABB 3HAB2136-1 Robot Teach Pendant is an advanced human-machine interface designed to enhance the control and programming of ABB robotic systems. This ergonomic device offers intuitive operation, facilitating efficient and precise robotic automation in various industrial applications. Its durable construction ensures reliability in demanding environments, while its user-friendly interface streamlines the programming and operation of robotic arms.
