### Technical specification

|                  |                       |
|------------------|-----------------------|
| Product Type     | Motor                 |
| Signal Level     | 200 V                 |
| Voltage          | AC                    |
| Current          | 1.1 A                 |
| Application Area | Industrial Automation |
| Control System   | Axis 6                |
| Torque Capacity  | High                  |
| Efficiency       | High                  |
| Construction     | Robust                |
| Manufacturer     | ABB                   |

### Description

AC motor with a current rating of 1.1, featuring a signal level of 200. Ideal for industrial applications, it offers reliable performance and durability.
