

3HNA006146-001

Industrial automation components

Manufacturer	Abb
Catalog number	3hna006146-001
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.42 kgs kg
Product Type	Safety Interface Board (SIB-01)
Product Family	IRC5P
Dimensions	170mm x 100mm x 35mm
Model Type	SIB-01
Dimensions	10.5 in x 1.3 in x 8.0 in
Weight	2 lbs 0.3 oz

Description

The ABB 3HNA006146-001 is a Safety Interface Board (SIB-01) designed for integration into industrial automation systems, particularly within ABB's IRC5P range. This module facilitates seamless communication between safety logic controllers and field devices, ensuring reliable operation in safety-critical applications. Its compact design allows for easy integration into existing systems, enhancing overall safety and efficiency. The SIB-01 supports multiple input and output channels, providing flexibility for various industrial setups. Its robust construction ensures durability and consistent performance under demanding industrial conditions.
