

57360001-U/3

Industrial automation components

Manufacturer	Abb
Catalog number	57360001-u3
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	ABB
Part Number	57360001-U/3
Product Type	Memory Board
Product Family	Advant Master, Advant OCS
Manufacturer Country	Sweden

Description

The ABB 57360001-U/3 is a memory board designed for ABB's Advant Master and Advant OCS systems. This module, also known as DSMB 124, serves as a vital component for data storage and processing within these control systems. Manufactured in Sweden, it features a multi-layer printed circuit board (PCB) equipped with 16 EPROM chip sockets, address decoding circuitry, data buffering circuitry, and a bus interface utilizing a standard DCS internal bus connector. The metal faceplate includes system status indicators for operational monitoring. This memory board is essential for maintaining system performance and reliability in industrial automation applications.
