

6637830G1

Industrial automation components

Manufacturer	Abb
Catalog number	6637830g1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.25 kgs kg
---------------	-------------

Description

The 6637830G1 product from ABB is a high-quality component weighing 0.25 kg. It offers reliability and efficiency in industrial applications, making it ideal for integration into various systems. Its robust design ensures long-lasting performance, making it an excellent choice for professionals seeking effective solutions.
