Industrial automation components

Manufacturer	Abb
Catalog number	68840830
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Interface Type	fieldbus
Component Specifications	acs800

Description

To ensure optimal drive control, the ACS800 component from ABB is equipped with a fieldbus interface, allowing for flexible integration in complex industrial automation systems. Its advanced features and reliability make it an ideal solution for various industrial applications.
