

AINT-02C

Industrial automation components

Manufacturer	Abb
Catalog number	aint-02c
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Inverter
Component Specifications	acs800

Description

The AINT-02C is an inverter from ABB, part of the ACS800 component specification. This product is intended for use in industrial automation, providing advanced control features and efficiency.
