

CP415M

Industrial automation components

Manufacturer	Abb
Catalog number	cp415m
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Component Specifications	cp415m
Material Grade	EN 16

Description

The CP415M from ABB is a component with a specification of cp415m, made from EN 16 material, ensuring its durability and reliability in challenging industrial conditions.
