

DSD0-110

Industrial automation components

Manufacturer	Abb
Catalog number	dsdo-110
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Module
Manufacturer	Abb

Description

The DSD0-110 module from ABB is an advanced industrial solution that delivers reliable performance across various applications. As a product from a renowned manufacturer, it features high-quality construction and innovative technologies. Ideal for integration in industrial automation systems, the DSD0-110 is designed for efficiency and durability.
