

HIEE305082R0001

Industrial automation components

Manufacturer	Abb
Catalog number	hiee305082r0001
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Current	863 A
Relay Specifications	863 A

Description

The HIEE305082R0001 is an advanced industrial relay from ABB, featuring a nominal current of 863. This product ensures reliable operation across various industrial applications, offering high performance and stability. The relay specification also stands at 863, highlighting its capability to function in demanding conditions. The HIEE305082R0001 is an ideal solution for systems requiring precise control and monitoring.
