

IEMMU-11

Industrial automation components

Manufacturer	Abb
Catalog number	iemmu11
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	4.08 kgs kg
---------------	-------------

Description

The IEMMU-11 from ABB is a module weighing 4.08 kg, designed for industrial applications. Its robust construction and reliability make it suitable for integration into automation systems, ensuring stable operation in challenging operational conditions.
