

NDCU-11

Industrial automation components

Manufacturer	Abb
Catalog number	ndcu-11
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	1.18 kgs kg
---------------	-------------

Description

The NDCU-11 is a lightweight component weighing 1.18 kg, designed for industrial applications. Its construction ensures ease of installation and operational efficiency, making it a suitable choice for various applications.
