

ADAM-4060

Industrial automation components

Manufacturer	Advantech
Catalog number	adam-4060
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.02 kgs
Voltage	500 V
Frequency	50 - 60 Hz
Channel Configuration	4
Component Specifications	rs485
Interface Type	modbus
Product Type	Relay
Signal Type	500
Signal Level	500 V
Relay Specifications	500 VAC

Description

Data Acquisition Module
