

1494R-N60

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	1494r-n60
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Switch
Current	60 A

Description

The Allen-Bradley 1494R-N60 switch is designed for industrial applications, providing reliable operation at a current of 60. Its robust construction ensures long-lasting performance in challenging environments. Ideal for integration into automation systems, this switch guarantees stability and operational safety.
