

1747-L20R

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	1747-l20r
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	1.47 kgs kg
---------------	-------------

Description

The 1747-L20R is a PLC controller from Allen-Bradley, weighing 1.47 kg. It is a reliable solution for industrial automation, offering high performance and flexibility in applications. With its compact design, it is well-suited for various industrial environments, ensuring stable operation and easy integration with other system components.
