

1771-ACNR15

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	1771-acnr15
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Industrial Safety	plc
Interface Type	can
Product Type	Module
Safety Level	plc

Description

The 1771-ACNR15 from Allen-Bradley is a module with a CAN interface, designed for use in PLC systems. It offers a high level of safety, making it suitable for demanding industrial environments. As a module, it ensures reliability and efficiency in automation.
