

1779-KFL

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	1779-kfl
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	8.94 kgs kg
---------------	-------------

Description

The 1779-KFL module from Allen-Bradley weighs 8.94 kg, making it a robust and durable component in automation systems. Its design is focused on long-lasting performance in challenging industrial conditions, ensuring reliability and operational efficiency.
