

1784-KTCS

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	1784-ktcs
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.08 kgs kg
---------------	-------------

Description

The 1784-KTCS is a communication module from Allen-Bradley that provides reliable connectivity in industrial automation systems. Weighing 0.08 kg, it is lightweight and easy to install in various applications. This module is designed for high performance and durability, making it an ideal solution for demanding industrial environments.
