

2711-NK1

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	2711-nk1
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	3.45 kgs kg
---------------	-------------

Description

The 2711-NK1 module from Allen-Bradley is a robust device weighing 3.45 kg, designed for industrial applications. Its construction ensures durability and reliability, making it a suitable choice for demanding environments. With its weight, this module is easy to install and handle, contributing to operational efficiency.
