

2711-NM4

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	2711-nm4
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.16 kgs kg
---------------	-------------

Description

The 2711-NM4 module from Allen-Bradley is an efficient device weighing 0.16 kg, designed for use in industrial automation applications. Its lightweight design makes it easy to install and handle, enhancing operational efficiency. With a robust construction, this module ensures reliability and long-lasting performance in challenging working conditions.
