

700-N400A24

Industrial automation components

Manufacturer	Allen-Bradley
Catalog number	700-n400a24
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Current	10 A
Relay Specifications	24 VAC
Voltage	24 V
Frequency	60 Hz
Product Type	Relay
Signal Type	24
Signal Level	24 V

Description

The Allen-Bradley 700-N400A24 relay is an advanced device designed for use in automation systems. It operates at a voltage of 24V and a current of 10A, making it an ideal solution for applications requiring reliable control. The relay supports a frequency of 60Hz, with both signal type and signal level rated at 24. With its robust construction and relay specification of 24, the device ensures high performance and durability in challenging industrial environments.
