

SMT3000I

Industrial automation components

Manufacturer	Apc
Catalog number	smt3000i
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	23.59 kgs
Signal Type	230
Signal Level	230 V
Relay Specifications	230 VAC
Voltage	230 V
Power	2700 W
Component Specifications	smt3000i
Interface Type	rj45
