

5AP920.1505-K70

Industrial automation components

Manufacturer	B&R
Catalog number	5ap9201505-k70
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Component Specifications	ap920
Interface Type	usb

Description

The 5AP920.1505-K70 module from B&R Automation is a modern component featuring a USB interface, providing flexibility in industrial applications. Its AP920 component specification ensures high quality and reliability, making it a suitable choice for various applications.
