

5AP920.1505-K98

Industrial automation components

Manufacturer	B&R
Catalog number	5ap9201505-k98
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	24 V
Signal Type	24
Signal Level	24 V
Interface Type	usb

Description

The 5AP920.1505-K98 module from B & R is an efficient component featuring a USB interface, designed to operate at a voltage of 24V. It provides a signal level of 24, making it an ideal solution for applications requiring precise control. Its AP920 component specification ensures reliability in challenging industrial environments.
