

ECA161-0

Industrial automation components

Manufacturer	B&R
Catalog number	eca161-0
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Component Specifications	eca161
Fire Rating	a161

Description

The ECA161-0 from B & R is a component with eca161 specifications, designed for industrial applications. It features a fire resistance class of a161, providing added safety in challenging working conditions. This product is ideal for integration into automation systems.
