

X20BB57

Industrial automation components

Manufacturer	B&R
Catalog number	x20bb57
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Fire Rating	c0
--------------------	----

Description

The X20BB57 is a product with a fire resistance class of c0, ensuring high resistance to fire exposure. This is a crucial feature in industrial applications where safety is paramount. Designed for reliability and durability, this product is an ideal choice for demanding environments.
