

X20CP1382

Industrial automation components

Manufacturer	B&R
Catalog number	x20cp1382
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Frequency	400 MHZ
Component Specifications	rs232
Interface Type	usb

Description

The X20CP1382 is an efficient drive from B & R, operating at a frequency of 400. The product supports RS232 component specification and is equipped with a USB interface, providing flexibility in industrial applications.
