

X20CP1585

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | B&R |
| Catalog number | x20cp1585 |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Active product |

Technical specification

| | |
|-----------------------|----------|
| Interface Type | ethernet |
| Product Type | Module |
| Signal Type | 24 |
| Signal Level | 24 V |

Description

The X20CP1585 module from B & R is designed with an ethernet interface and a signal level of 24. As a module, it offers flexibility in industrial applications, enabling efficient communication in automation systems.
