

X20CS2770

Industrial automation components

Manufacturer	B&R
Catalog number	x20cs2770
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Interface Type	can
Product Type	Module

Description

The X20CS2770 is a module with a CAN interface, enabling efficient communication in industrial automation systems. Its design ensures reliability and flexibility across various applications.
