

060672-102401

Industrial automation components

Manufacturer	Bosch Rexroth
Catalog number	060672-102401
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Manufacturer	Bosch Rexroth
Part Number	060672-102401
Product Type	Industrial Automation Component
Application Area	Industrial Automation

Description

The Bosch Rexroth 060672-102401 is a high-quality industrial automation component designed for precision and reliability in various applications. Manufactured by Bosch Rexroth, a global leader in drive and control technologies, this part ensures optimal performance and longevity. It is suitable for integration into automation systems requiring robust and efficient operation. For detailed specifications and compatibility information, please refer to Bosch Rexroth's official service and support resources.
