Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Bosch Rexroth
Part Number	R911337432
Type Code	FWA-CML65*-XLC-13V24-D0
Product Type	Compact Flash Card
Compatibility	IndraControl L65 Series PLC Systems

Description

The Bosch Rexroth FWA-CML65*-XLC-13V24-D0 is a compact flash card designed for use with Bosch Rexroth's IndraControl L65 series PLC systems. This component serves as a firmware storage medium, enabling the system to operate with the latest software updates and configurations. It is compatible with various IndraControl L65 models, ensuring seamless integration and reliable performance in industrial automation applications. The card is identified by the part number R911337432 and is also referred to by its type code FWA-CML65*-XLC-13V24-D0. For detailed specifications and compatibility information, please refer to the official Bosch Rexroth documentation.
