

R900561278

Industrial automation components

Manufacturer	Bosch Rexroth
Catalog number	r900561278
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Pressure	350 bar
Flow Rate	76 L/MIN
Signal Type	24
Voltage	24 V
Refrigerant	r900561278
Product Type	Valve
Signal Level	24 V
