

DESI65-K-DP-8E

Industrial automation components

Manufacturer	Bosch
Catalog number	desi65-k-dp-8e
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	24 V
Signal Level	24 V
Signal Type	24

Description

The DESI65-K-DP-8E is an advanced industrial device operating at a voltage of 24V. Its signal type and signal level also stand at 24, ensuring high precision and reliability in industrial applications. This device is ideal for applications requiring stable signal parameters, making it an excellent choice for professional users.
