

IR33W7LR20

Industrial automation components

Manufacturer	Carel
Catalog number	ir33w7lr20
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.10 kgs
Component Specifications	pt1000
Product Type	Controller
Relay Specifications	24 VAC
Voltage	12 - 24 V
Signal Type	24
Signal Level	24 V

Description

IR33W7LR20 | Brand / Manufacturer: CAREL
