

DPA55CM44

Industrial automation components

Manufacturer	Carlo Gavazzi
Catalog number	dpa55cm44
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	208 - 480 V
Measurement Range	208 - 480
Product Type	Relay
Signal Type	550
Signal Level	550 V
Relay Specifications	550 VAC

Description

SOLID STATE RELAY 240V
