

DST1204B

Industrial automation components

Manufacturer	Control Techniques
Catalog number	dst1204b
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Drive
Signal Level	230 V
Relay Specifications	230 VAC
Component Specifications	dst1204b
Signal Type	230

Description

The DST1204B is an advanced drive from Control Techniques, designed to operate with a signal level of 230. Its relay specification also stands at 230, ensuring stability and reliability in industrial applications. This product features high performance and is ideal for applications requiring precise control.
