

018F6701

Industrial automation components

Manufacturer	Danfoss
Catalog number	018f6701
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.15 kgs
Power	10
Frequency	50 - 60
Product Type	Valve
Signal Level	230 V

Description

External Condition: Perfect;Function: Working Condition;Batch Size: 1pcs
