

032U7115

Industrial automation components

Manufacturer	Danfoss
Catalog number	032u7115
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.65 kgs
Pressure	16
Product Type	Valve

Description

Zawór elektromagnetyczny; G 1/2"; mosiądz; EPDM; EV220B; 0÷16bar
