

032U7120

Industrial automation components

Manufacturer	Danfoss
Catalog number	032u7120
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.66 kgs
Measurement Range	0.3 - 16
Product Type	Valve

Description

Zawór elektromagnetyczny; G 3/4"; mosiądz; EPDM; EV220B; 0÷16bar
