

132F0001

Industrial automation components

Manufacturer	Danfoss
Catalog number	132f0001
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.03 kgs
Voltage	200 - 240 V
Power	0.18 kW
Horsepower	0.18 KW
Cooling Capacity	0.18 kW
Product Type	Converter
Signal Type	240
Signal Level	240 V
Relay Specifications	240 VAC

Description

External Condition: Good;Function: Working Condition;Batch Size: 1pcs
