

700-375-0LA21

Industrial automation components

Manufacturer	Diversen
Catalog number	700-375-0la21
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.05 kgs
---------------	----------

Description

700-375-0LA21 | Siemens Simatic S5 / Helmholtz EPROM, 700-375- 0LA21 | Brand /
Manufacturer: Siemens | mass: 1
